# Adding keywords to a large catalogue · How to introduce the procedure into routine operations?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

### First, put a small number of inspected items up for sale.

## Regular application

Keep the item's original label, the new label and the processing date.

On the sample, test whether the tool recognises material variants and linguistic synonyms.

## Working example · Adding keywords to a large catalogue

On the sample, test whether the tool recognises material variants and linguistic synonyms.

## Specific next steps

1. Keep the item's original label, the new label and the processing date.
2. On the sample, test whether the tool recognises material variants and linguistic synonyms.
3. If categories from outside the code list are recommended, separate those rows before importing.

## Limits of application

Apply the guideline to your documents and working methods.
