Adding keywords to a large catalogue · What to do when the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If categories from outside the code list are recommended, separate those rows before importing.

When a plan meets an obstacle

Specify the permitted categories and look for an exit in the pre-defined structure.

Keep the item's original label, the new label and the processing date.

Working example · Adding keywords to a large catalogue

On the sample, test whether the tool recognises material variants and linguistic synonyms.

Specific next steps

1. Specify the permitted categories and look for an exit in the pre-defined structure.
2. Keep the item's original label, the new label and the processing date.
3. First, put a small number of inspected items up for sale.

Limits of application

Apply the guideline to your documents and working methods.
