What to check after the first month of operation · How to approach it?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Select a few typical and a few exceptional shift endings.

A starting point in practice

Compare the agreed terms, the actual tasks, the timesheet and the payment calculation.

Recalculate your actual hourly rate, taking into account waiting time and any expenses you personally incur.

Working example · What to check after the first month of operation

Recalculate your actual hourly rate, taking into account waiting time and any expenses you personally incur.

Specific next steps

1. Compare the agreed terms, the actual tasks, the timesheet and the payment calculation.
2. Recalculate your actual hourly rate, taking into account waiting time and any expenses you personally incur.
3. Define the boundaries within which this way of working is sustainable.

Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
