Creating an online form that reduces errors · What to record?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Record the purpose of each field, the expected format and the data storage location.

Record and working document

Test the form using a keyboard, on a mobile phone and with incorrect input.

If the error message does not explain how to resolve the problem, link it to the correct field.

Working example · Creating an online form that reduces errors

Test the form using a keyboard, on a mobile phone and with incorrect input.

Specific next steps

1. Test the form using a keyboard, on a mobile phone and with incorrect input.
2. If the error message does not explain how to resolve the problem, link it to the correct field.
3. Analyse which errors actually occur, whilst protecting the content of the entry.

Limits of application

Apply the guideline to your documents and working methods.
