AI business proposal draft · What if the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If the model invents details, restrict it to mandatory fields and allow an empty response.

When a plan meets an obstacle

Enter the approved delivery components and public service information into the tool.

Keep the actual price list, scope, dates and the person who approved the quote.

Working example · AI draft business proposal

Check whether the draft has added a non-existent warranty, deadline or contractual obligation.

Specific next steps

1. Enter the approved delivery components and public service information into the tool.
2. Keep the actual price list, scope, dates and the person who approved the quote.
3. Save a template for future quotes with manual price confirmation.

Limits of application

Apply the guideline to your documents and working methods.
