The difference between registration and the first day of work · What if the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If the planned date is moved, check whether any changes are needed before work begins.

When a plan meets an obstacle

Distinguish between the enrolment date, the reported start date and the actual commencement of deliveries.

Record the dates from the decision and the documents concerning the fulfilment of the special conditions.

Working example · The difference between registration and the first day of work

Before making your first offer, check the status in the relevant register.

Specific next steps

1. Distinguish between the enrolment date, the reported start date and the actual commencement of deliveries.
2. Record the dates from the decision and the documents concerning the fulfilment of the special conditions.
3. Align the date in the work plan, orders and tax records.

Limits of application

For procedures covered by the START system.
