More accessible digital documents and forms · What if the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If accessibility ends with a PDF, provide an accessible original or HTML version.

When a plan meets an obstacle

Begin with a clear title structure, legible contrast and distinct field labels.

Keep a list of changes and pages verified on the keyboard and in the screen reader.

Working example · More accessible digital documents and forms

Check whether the task can be completed without a mouse and when the view is zoomed in.

Specific next steps

1. Begin with a clear title structure, legible contrast and distinct field labels.
2. Keep a list of changes and pages verified on the keyboard and in the screen reader.
3. Enable accessibility checking before publishing each new service.

Limits of application

Apply the guideline to your documents and working methods.
