Recovering a business account after losing a mobile phone · How to reintroduce the procedure into regular operations?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

After recovery, check the active sessions and remove the old device.

Regular application

Keep the recovery data in a secure location to which you have legitimate access.

Test recovery once in a scenario without an existing phone.

Working example · Recovery of a business account after losing a mobile phone

Test recovery once in a scenario without an existing phone.

Specific next steps

1. Keep the recovery data in a secure location to which you have legitimate access.
2. Test recovery once in a scenario without an existing phone.
3. If access is only possible through one person, set up a substitute authorised user.

Limits of application

When personal data covered by the GDPR is processed.
