Reducing the amount of data in a business form · What to do when the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If a field is inherited without a justified purpose, reconsider its collection and storage.

When a plan meets an obstacle

The GDPR requires that personal data be adequate, relevant and limited to what is necessary for the purpose of processing.

For each field, enter the reason and the context in which the data is used.

Working example · Reducing the amount of data in a business form

The request form for a quote also asks for date of birth. If only the contact address and job description are sufficient to prepare a quote, the entrepreneur questions the collection of dates and retention of earlier records.

Specific next steps

1. The GDPR requires that personal data be adequate, relevant and limited to what is necessary for the purpose of processing.
2. For each field, enter the reason and the context in which the data is used.
3. Update the form, notices and retention policies after any changes.

Limits of application

For the processing of personal data in accordance with the principle of data minimisation.
