Statistical Submission and Public Release of GFIs · How to integrate the procedure into routine operations?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Prepare a brief matrix of contributions and approvals for each purpose.

Regular application

For each package, record the purpose, period, channel and proof of delivery.

Ensure that a certificate for one purpose has not been used as evidence for another.

Working example · Statistical submission and public release of GFI

Ensure that a certificate for one purpose has not been used as evidence for another.

Specific next steps

1. For each package, record the purpose, period, channel and proof of delivery.
2. Ensure that a certificate for one purpose has not been used as evidence for another.
3. When the scope is unclear, compare the current Fina guide with the accountant.

Limits of application

By type of taxpayer, purpose of submission and reporting period.
