Setting up a shared folder for business documents · What to do if the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If a former collaborator still has access, revoke it and review any further shares.

When a plan meets an obstacle

Separate public materials, operational documents and documents with restricted access.

Keep a list of people with access, the scope of their authority and the date of the next review.

Working example · Setting up a shared folder for business documents

By logging in as the test user, verify that they can only see the folders they are supposed to.

Specific next steps

1. Separate public materials, operational documents and documents with restricted access.
2. Keep a list of people with access, the scope of their authority and the date of the next review.
3. Introduce an exit checklist and periodic authority review.

Limits of application

When personal data covered by the GDPR is processed.
