Personal archive after changing the application · How to access it?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

List what you need to export, including the original documents and status records.

A starting point in practice

For income and expense documents, retain the identifier and the business period.

On another device, try to find and open three old accounts.

Working example · Own archive after application change

On another device, try to find and open three old accounts.

Specific next steps

1. For income and expense documents, retain the identifier and the business period.
2. On another device, try to find and open three old accounts.
3. Plan periodic testing of archive restores, not just backups.

Limits of application

For the covered obligors and the appropriate type of account.
