The boundary between core scope and additional work · How to approach it?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

In your proposal, describe the deliveries, the number of revisions and what is excluded from the price.

A starting point in practice

Keep the accepted version and the documented request for change.

Check how to charge for a request that adds a new language or file.

Working example · Boundary between core scope and additional work

Check how to charge for a request that adds a new language or file.

Specific next steps

1. Keep the accepted version and the documented request for change.
2. Check how to charge for a request that adds a new language or file.
3. Apply a short amendment form with cost, deadline and approval.

Limits of application

Apply the guideline to your documents and working methods.
