Own archive after application change · How to integrate the process into routine operations?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Plan periodic testing of archive restores, not just backups.

Regular application

For income and expense documents, retain the identifier and the business period.

On another device, try to find and open three old accounts.

Working example · Own archive after application change

On another device, try to find and open three old accounts.

Specific next steps

1. For income and expense documents, retain the identifier and the business period.
2. On another device, try to find and open three old accounts.
3. If only PDFs are available, request an export of the original electronic records.

Limits of application

For the covered obligors and the appropriate type of account.
