Cost-effectiveness of bonuses for longer or unpopular shifts · How to introduce the procedure into routine operations?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

After one comparable shift, decide to repeat only the profitable slots.

Regular application

Keep track of the exact conditions and your own tally of successfully completed tasks.

Compare the revenue per hour with the cost of additional time and relocation.

Working example · The cost-effectiveness of a bonus for a longer or unpopular shift

Compare the revenue per hour with the cost of additional time and relocation.

Specific next steps

1. Keep track of the exact conditions and your own tally of successfully completed tasks.
2. Compare the revenue per hour with the cost of additional time and relocation.
3. If the target depends on weak demand, do not plan fixed costs on the expected bonus.

Limits of application

Apply the guideline to your documents and working methods.
