Own archive after changing the application · What if the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If only PDFs are available, request an export of the original electronic records.

When a plan meets an obstacle

List what you need to export, including the original documents and status records.

For income and expense documents, retain the identifier and the business period.

Working example · Own archive after application change

On another device, try to find and open three old accounts.

Specific next steps

1. List what you need to export, including the original documents and status records.
2. For income and expense documents, retain the identifier and the business period.
3. Plan periodic testing of archive restores, not just backups.

Limits of application

For the covered obligors and the appropriate type of account.
