Working alongside a permanent job or through multiple aggregators · How to check this in practice?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Check for overlapping deadlines, breaks, permissions and obligations under each contract.

Checking by example

Before taking over the second shift, sort out the relationships in terms of the contract, timing and obligations.

Keep separate schedules and store calculations by organisation.

Working example · Working alongside a permanent job or through multiple aggregators

Keep separate schedules and store calculations by organisation. Before logging into two shifts simultaneously, clarify the restrictions and responsibilities.

Specific next steps

1. Before taking over the second shift, sort out the relationships in terms of the contract, timing and obligations.
2. Keep separate schedules and store calculations by organisation.
3. Before simultaneously signing up for two shifts, clarify the restrictions and responsibilities.

Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
