Own archive after changing the application · How to check this in an example?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

On another device, try to find and open three old accounts.

Checking by example

List what you need to export, including the original documents and status records.

For income and expense documents, retain the identifier and the business period.

Working example · Own archive after application change

For income and expenditure documents, retain the identifier and the business period. If only PDFs are available, request an export of the original electronic records.

Specific next steps

1. List what you need to export, including the original documents and status records.
2. For income and expense documents, retain the identifier and the business period.
3. If only PDFs are available, request an export of the original electronic records.

Limits of application

For the covered obligors and the appropriate type of account.
