Verified by an official source · Reviewed: 2026-11-19

Applicability: According to the available network services and the deadlines for each event.

Enterprise Europe Network Croatia helps small and medium-sized enterprises find international business and technology partners and provides advisory support.

Specific next steps

1. Prepare a brief description of the product or service, the market and the type of partner.
2. Contact the Croatian EEN network or search for collaboration opportunities.
3. Before signing, check the partner, responsibilities, rights and payment terms.

Limits of application

Participation depends on the conditions of the individual event or programme.
