Contracting party identity when working via the app · How to access?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Compare the application's name with the legal entity offered as an employer or business partner.

A starting point in practice

Keep the contract, the other party's official information and the contact details of the responsible person.

Ask who arranges the shifts, pays the workers and confirms the handover of equipment.

Working example · Contracting party identity when working via the application

Ask who arranges the shifts, pays the workers and confirms the handover of equipment.

Specific next steps

1. Keep the contract, the other party's official information and the contact details of the responsible person.
2. Ask who arranges the shifts, pays the workers and confirms the handover of equipment.
3. Store proof of the applicable relationship separately from the application's user account.

Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
