Adapting an online shop for another EU market · What to do when the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If the information differs between the localisation and the shopping basket, correct it before publishing.

When a plan meets an obstacle

Choose one country and list the purchase steps in the user's language.

Record local information on price, returns, contact and product.

Working example · Adapting a webshop for another EU market

Walk through a test order from the advert to the confirmation and refund.

Specific next steps

1. Choose one country and list the purchase steps in the user's language.
2. Record local information on price, returns, contact and product.
3. Introduce a state-by-state checklist, with a legal review of mandatory information.

Limits of application

For the small business entities covered and the specific market.
