Applicability: Croatia: 1 January 2026 and 1 January 2027 · EU cross-border B2B: 1 July 2030

Croatia's Fiscalisation 2.0 has its own dates and rules. The European ViDA package was adopted in 2025. The rules for digital reporting of covered cross-border B2B transactions will come into effect on 1 July 2030.

Specific next steps

1. For domestic transactions, determine whether you fall within the scope of the Croatian Law on Fiscalisation.

2. For VAT-registered persons outside the scope of the Croatian law, please check receipts from 2026 and invoices from 2027.

3. For doing business with the EU, follow ViDA and the Croatian implementing measures.

Limits of application

ViDA dates depend on the measure. Here is the start date for the application of cross-border B2B digital reporting requirements.
