Open, announced and closed public calls · What to do when the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If the call is temporarily closed, please check the official notice for the next date.

When a plan meets an obstacle

On the body's page, check whether the invitation is actually open and who it applies to.

Keep the call reference, the verification date, the documentation and any amendments.

Working example · Open, announced and closed public calls

Distinguish between the question deadline, the application deadline and the cost eligibility period.

Specific next steps

1. On the body's page, check whether the invitation is actually open and who it applies to.
2. Keep the call reference, the verification date, the documentation and any amendments.
3. Review the application in its final version before submission.

Limits of application

Check the rules and call status for the application year.
