Replacing the person who helps with guest check-in · How to integrate the procedure into routine operations?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

You can arrange a sick leave replacement in advance with the same limited scope.

Regular application

Keep track of the date and scope of the granted authority, not the passwords in the shared table.

Check whether the person can carry out only authorised work with their own access.

Working example · Replacing the person who helps with guest check-in

Check whether the person can carry out only authorised work with their own access.

Specific next steps

1. Keep track of the date and scope of the granted authority, not the passwords in the shared table.
2. Check whether the person can carry out only authorised work with their own access.
3. When the collaboration ends, revoke the permission and review the active accesses.

Limits of application

To work in the eVisitor system in accordance with the current instructions.
