Difference between the official address and the entrance location · How to access?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

In the advert, state the exact address, and in the directions separately describe the entrance, the floor and the access.

A starting point in practice

Record the arrival conditions that are important to guests, including pedestrian access and a landmark.

Try the route from the navigation point to the entrance with someone who hasn't been inside the building.

Working example · The difference between the official address and the point of entry

Try the route from the navigation point to the entrance with someone who hasn't been inside the building.

Specific next steps

1. Record the arrival conditions that are important to guests, including pedestrian access and a landmark.
2. Try the route from the navigation point to the entrance with someone who hasn't been inside the building.
3. For any discrepancy in official documents, request confirmation of the correct information.

Limits of application

For household activities, by type of establishment, status and location.
