Digital instructions available even without logging into the app · How to integrate the procedure into routine operations?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Place the QR code where the guest actually needs that instruction.

Regular application

In the instructions, indicate the date and the number for emergencies and faults.

Try reading on a slow network, away from your own account and with larger font size.

Working example · Digital instructions available even without logging into the app

Try reading on a slow network, away from your own account and with larger font size.

Specific next steps

1. In the instructions, indicate the date and the number for emergencies and faults.
2. Try reading on a slow network, away from your own account and with larger font size.
3. If the link requires a login, provide a public or offline version without sensitive data.

Limits of application

When personal data covered by the GDPR is processed.
