When a plan meets an obstacle

In the calendar, create two separate tasks and check the relevant documentation.

For each package, record the purpose, period, channel and proof of delivery.

Working example · Statistical submission and public release of GFI

Ensure that a certificate for one purpose has not been used as evidence for another.

Specific next steps

1. In the calendar, create two separate tasks and check the relevant documentation.
2. For each package, record the purpose, period, channel and proof of delivery.
3. Prepare a brief matrix of contributions and approvals for each purpose.

Limits of application

By type of taxpayer, purpose of submission and reporting period.
