Is the application for self-employment for 2026 still open? · What to note?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Record the exact year, the name of the measure and the address of the official notice.

Record and working document

Distinguish the request submission deadline from the deadlines after the measure has been booked.

For the next cycle, please wait for the official announcement before incurring any costs.

Working example · Is the application for self-employment for 2026 still open?

The candidate is preparing a cost estimate in November. He records the status of the 2026 call as closed, leaving the equipment purchase date, amount and conditions open until the official announcement of the new cycle.

Specific next steps

1. Distinguish the request submission deadline from the deadlines after the measure has been booked.
2. For the next cycle, please wait for the official announcement before incurring any costs.
3. Prepare a comprehensive business plan that can be adapted to your new calling.

Limits of application

Invitation only for 2026.
