Entrance camera and filming restrictions · How to gain access?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Before installation, verify the actual purpose, location and applicable conditions for such video surveillance.

A starting point in practice

Keep the relevant decision, the recording field, who has access and the deletion plan.

Check whether the camera is capturing the neighbouring area, unnecessary public spaces or the guest's private zone.

Working example · Entrance camera and recording boundaries

Check whether the camera is capturing the neighbouring area, unnecessary public spaces or the guest's private zone.

Specific next steps

1. Keep the relevant decision, the recording field, who has access and the deletion plan.

2. Check whether the camera is capturing the neighbouring area, unnecessary public spaces or the guest's private zone.

3. If an approved camera is used, provide guests with accessible information before filming.

Limits of application

When personal data covered by the GDPR is processed.
