Platform registration number after enrolment in JEER · What to do if the process gets stuck?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If the number cannot be linked to the contract name, ask the contracting party.

When a plan meets an obstacle

The Ministry of Labour states that after successful registration in JEER, the digital work platform is assigned a registration number.

Before verification, collect the entity's official name and the identifier available to you.

Working example · Platform registration number after enrolment in JEER

The application and the contract display different trade names. The courier requests the official name and registration details for the entity with which it intends to work.

Specific next steps

1. The Ministry of Labour states that after successful registration in JEER, the digital work platform is assigned a registration number.
2. Before verification, collect the entity's official name and the identifier available to you.
3. Save the date and the verification result before commencing the collaboration.

Limits of application

For the registration of platforms and aggregators in the JEER system.
