Hire or buy a machine for occasional orders · What if the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If the quarterly cash flow cannot accommodate the purchase, evaluate a phased plan.

When a plan meets an obstacle

Compare the total cost and availability based on the planned number of uses.

Gather examples of hire, transport, maintenance and insurance costs.

Working example · Hiring or purchasing a machine for occasional orders

Calculate both options for a calm year and for a more turbulent year.

Specific next steps

1. Compare the total cost and availability based on the planned number of uses.
2. Gather examples of hire, transport, maintenance and insurance costs.
3. Set a measurable usage threshold at which you will reconsider the purchase decision.

Limits of application

Apply the guideline to your documents and working methods.
