New terms during work via the platform · How to access?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Before accepting, compare the hourly rate, fees, schedule and the effective date of each change.

A starting point in practice

Keep the old and new versions, along with the time of receipt and the communication.

Check whether the change affects tasks that have already been completed or only the future period.

Working example · New conditions during operation via the platform

Check whether the change affects tasks that have already been completed or only the future period.

Specific next steps

1. Keep the old and new versions, along with the time of receipt and the communication.
2. Check whether the change affects tasks that have already been completed or only the future period.
3. Record when the actual settlement began to change so that you can compare it.

Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
