Applicability: According to the profile and circumstances of the described case.

Before simultaneously signing up for two shifts, clarify the restrictions and responsibilities.

When a plan meets an obstacle

Before taking over the second shift, sort out the relationships in terms of the contract, timing and obligations.

Keep separate schedules and store calculations by organisation.

Working example · Working alongside a permanent job or through multiple aggregators

Check for overlapping deadlines, breaks, permissions and obligations under each contract.

Specific next steps

1. Before taking over the second shift, sort out the relationships in terms of the contract, timing and obligations.
2. Keep separate schedules and store calculations by organisation.
3. Arrange a contingency schedule that allows enough time for rest.

Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
