Effective hourly rate after waiting and return · What to record?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Include waiting, travel to the zone, deliveries and return in the measurable methodology.

Record and working document

Compare a working day in the centre with a day in the wider area under the same definition of a day.

If part of the costs are incurred monthly, allocate them over the estimated working hours.

Working example · Effective hourly rate after waiting and return

Compare a working day in the centre with a day in the wider area under the same definition of a day.

Specific next steps

1. Compare a working day in the centre with a day in the wider area under the same definition of a day.
2. If part of the costs are incurred monthly, allocate them over the estimated working hours.
3. Set the minimum hourly rate for which you change the zone, time or work model.

Limits of application

Apply the guideline to your documents and working methods.
