Accessing shift data when leaving the platform · How to access?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Before closing the account, export the available records of payments, contracts and shifts.

A starting point in practice

Retain only the records you are entitled to keep and remove any unnecessary customer data.

Check whether the exported documents open and whether the period corresponds to the contract.

Working example · Accessing shift data when leaving the platform

Check whether the exported documents open and whether the period corresponds to the contract.

Specific next steps

1. Retain only the records you are entitled to keep and remove any unnecessary customer data.
2. Check whether the exported documents open and whether the period corresponds to the contract.
3. Introduce a regular authorised export after the close of each month.

Limits of application

Distinguish between the provisions of the Directive and the Croatian measures that transpose them.
