Plan for actual delivery pauses during peak traffic · What to record?

For: Platform worker employed by a company

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Record the start and end of each interruption and distinguish a pause from a stoppage in the order.

Record and working document

Check whether the actual breaks comply with the shift schedule and employment rights.

If you are consistently unable to take your scheduled holiday, discuss a concrete example with your employer.

Working example · Plan for actual delivery breaks during peak traffic

Check whether the actual breaks comply with the shift schedule and employment rights.

Specific next steps

1. Check whether the actual breaks comply with the shift schedule and employment rights.
2. If you are consistently unable to take your scheduled holiday, discuss a concrete example with your employer.
3. Add a standby slot to your personal plan for high-demand days.

Limits of application

For a Croatian employment relationship, in accordance with applicable regulations and the contract.
