# Application interruption during a scheduled shift · How to verify this with an example?

For: Platform worker employed by a company

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

**Check whether the tasks have remained open and whether the shift time has been recorded.**

## Checking by example

Have advance instructions on who to contact and how to record unavailability.

Save the interruption time, shift confirmation and support response.

## Working example · Application interruption during a scheduled shift

Record the interruption time, the shift confirmation and the support response. When a task is in progress, follow the official procedure and record the delivery achieved.

## Specific next steps

1. Have advance instructions on who to contact and how to record unavailability.
2. Save the interruption time, shift confirmation and support response.
3. When a task is in progress, follow the official procedure and record the delivery that has been completed.

## Limits of application

For a Croatian employment relationship, in accordance with applicable regulations and the contract.
