The cost of switching from an aggregator to your own business model · What if the process stalls?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

When the difference is small, first confirm the status and contractual terms before setting up the business.

When a plan meets an obstacle

In the projection, include operating mode, vehicle, idle time, insurance and administration.

Keep the offers for both models and all assumptions about weekly payouts.

Working example · The cost of changing from an aggregator to your own business model

Compare the net disposable amount with the impact of losing several weeks' work.

Specific next steps

1. In the projection, include operating mode, vehicle, idle time, insurance and administration.
2. Keep the offers for both models and all assumptions about weekly payouts.
3. Plan the transition periods, existing obligations and the date of the first invoice.

Limits of application

Distinguish between the provisions of the Directive and the Croatian measures that transpose them.
