The cost of switching from an aggregator to your own business model · How to check this using an example?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Compare the net disposable amount with the impact of losing several weeks' work.

Checking by example

In the projection, include operating mode, vehicle, idle time, insurance and administration.

Keep the offers for both models and all assumptions about weekly payouts.

Working example · The cost of changing from an aggregator to your own business model

Keep the offers for both models and all assumptions about weekly payments. When the difference is small, first confirm the status and contractual terms before opening the business.

Specific next steps

1. In the projection, include operating mode, vehicle, idle time, insurance and administration.
2. Keep the offers for both models and all assumptions about weekly payouts.
3. When the difference is small, first confirm the status and contractual terms before setting up the business.

Limits of application

Distinguish between the provisions of the Directive and the Croatian measures that transpose them.
