Verification of the platform or aggregator in the records · What to record?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Save the date, the verification result and the contract relating to the same entity.

Record and working document

Compare the data in the records with the invoice issuer and the payer.

If the names differ, ask for a clear explanation of who the employer or partner is.

Working example · Verification of the platform or aggregator in the records

Compare the data in the records with the invoice issuer and the payer.

Specific next steps

1. Compare the data in the records with the invoice issuer and the payer.
2. If the names differ, ask for a clear explanation of who the employer or partner is.
3. Check the status again when you change the aggregator.

Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
