# Refusal of a task and consequences for future shifts · How to introduce the procedure into routine operations?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

**Keep a record of the recurrence of the same outcomes over the period.**

## Regular application

Save the messages about the task, the refusal time and the display of the consequence.

Distinguish between a change of shift, an automatic assessment and a formal decision by the employer.

## Working example · Task refusal and consequences for future shifts

Distinguish between a change of shift, an automatic assessment and a formal decision by the employer.

## Specific next steps

1. Save the messages about the task, the refusal time and the display of the consequence.
2. Distinguish between a change of shift, an automatic assessment and a formal decision by the employer.
3. If the reduced availability of work is unexplained, ask for the reason and the relevant contact.

## Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
