What to check after the first month of operation · What to do when the process stalls?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

When there is a systematic deviation, summarise the recurring circumstances and ask for an explanation.

When a plan meets an obstacle

Select a few typical and a few exceptional shift endings.

Compare the agreed terms, the actual tasks, the timesheet and the payment calculation.

Working example · What to check after the first month of operation

Recalculate your actual hourly rate, taking into account waiting time and any expenses you personally incur.

Specific next steps

1. Select a few typical and a few exceptional shift endings.
2. Compare the agreed terms, the actual tasks, the timesheet and the payment calculation.
3. Define the boundaries within which this way of working is sustainable.

Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
