What to check after the first month of operation · How to check it using an example?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Recalculate your actual hourly rate, taking into account waiting time and any expenses you personally incur.

Checking by example

Select a few typical and a few exceptional shift endings.

Compare the agreed terms, the actual tasks, the timesheet and the payment calculation.

Working example · What to check after the first month of operation

Compare the agreed terms, the actual tasks, the time records and the payment calculation. If there are systematic deviations, summarise the recurring circumstances and request an explanation.

Specific next steps

1. Select a few typical and a few exceptional shift endings.
2. Compare the agreed terms, the actual tasks, the timesheet and the payment calculation.
3. When there is a systematic deviation, summarise the recurring circumstances and ask for an explanation.

Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
