For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Compare the cost of a week with a bit of driving to that of one with more unscheduled rounds.

Checking by example

Include energy, maintenance, consumables and the realistic cost of replacement in the calculation.

Keep business and personal mileage separate and retain receipts for any relevant expenses.

Working example · How much a vehicle really costs per kilometre

Keep business and personal mileage separate and retain receipts for all relevant expenses. If the GPS shows a lower mileage than the vehicle records, verify where the kilometres are being lost.

Specific next steps

1. Include energy, maintenance, consumables and the realistic cost of replacement in the calculation.
2. Keep business and personal mileage separate and retain receipts for any relevant expenses.
3. If the GPS shows a lower mileage than the vehicle records, confirm where the kilometres are being lost.

Limits of application
