Selecting activities for two related services · What to do when the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

For two possible labels, send the competent authority a concrete example of an offer.

When a plan meets an obstacle

Describe what the customer pays for each service, for example design and maintenance, then check the classification.

Prepare a description of each service and the corresponding activity code.

Working example · Selection of activities for two related services

Check whether the service falls under a special regime by its actual content.

Specific next steps

1. Describe what the customer pays for each service, for example design and maintenance, then check the classification.
2. Prepare a description of each service and the corresponding activity code.
3. In the invoice template, use descriptions of the actual services, with a separate KPD check where applicable.

Limits of application

For procedures covered by the START system.
