Risk of double booking on two platforms · What if the process gets stuck?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

In the event of a conflict, prioritise prompt communication and document the solution with the guest.

When a plan meets an obstacle

Designate one authoritative calendar and document the synchronisation speed.

Keep a record of the time of receipt of each confirmation and any changes to availability.

Working example · Risk of double booking on two platforms

Test how the other channel responds to a new booking and to a cancellation.

Specific next steps

1. Designate one authoritative calendar and document the synchronisation speed.
2. Keep a record of the time of receipt of each confirmation and any changes to availability.
3. For risky dates, use manual confirmation until the synchronisation levels are reliable.

Limits of application

For household activities, by type of establishment, status and location.
