Entrance camera and recording boundaries · How to integrate the procedure into routine operations?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If an approved camera is used, provide guests with accessible information before filming.

Regular application

Keep the relevant decision, the recording field, who has access and the deletion plan.

Check whether the camera is capturing the neighbouring area, unnecessary public spaces or the guest's private zone.

Working example · Entrance camera and recording boundaries

Check whether the camera is capturing the neighbouring area, unnecessary public spaces or the guest's private zone.

Specific next steps

1. Keep the relevant decision, the recording field, who has access and the deletion plan.
2. Check whether the camera is capturing the neighbouring area, unnecessary public spaces or the guest's private zone.
3. If there is any doubt about the permissibility, suspend installation until an expert has verified it.

Limits of application

When personal data covered by the GDPR is processed.
