Entrance camera and recording boundaries · What if the process gets stuck?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If there is any doubt about the permissibility, suspend installation until an expert has verified it.

When a plan meets an obstacle

Before installation, verify the actual purpose, location and applicable conditions for such video surveillance.

Keep the relevant decision, the recording field, who has access and the deletion plan.

Working example · Entrance camera and recording boundaries

Check whether the camera is capturing the neighbouring area, unnecessary public spaces or the guest's private zone.

Specific next steps

1. Before installation, verify the actual purpose, location and applicable conditions for such video surveillance.
2. Keep the relevant decision, the recording field, who has access and the deletion plan.
3. If an approved camera is used, provide guests with accessible information before filming.

Limits of application

When personal data covered by the GDPR is processed.
