Existing solution and rules after the change in regulations · How to approach it?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Record the date on which the licence was issued and the date on which the business actually commenced operations.

A starting point in practice

Keep a record of the solution, the published amendments and the response from the competent office.

Compare the application of the new rules to an existing building and a completely new application.

Working example · Existing solution and rules after the change in regulations

Compare the application of the new rules to an existing building and a completely new application.

Specific next steps

1. Keep a record of the solution, the published amendments and the response from the competent office.
2. Compare the application of the new rules to an existing building and a completely new application.
3. Note the first deadline for action and a reminder a few weeks beforehand.

Limits of application

According to the type of building, the dates of application and the transitional provisions.
