First deadline for registering a guest after arrival · How to integrate the procedure into routine operations?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Introduce a reminder into the check-in and check-out procedure.

Regular application

Record the actual arrival and verify that the record has been successfully saved.

Compare check-ins with the arrival plan when multiple guests are checking in on the same day.

Working example · First deadline for submitting a guest's application after arrival

The guest arrives at 9 pm instead of at 5 pm. The host records the actual time of arrival and calculates the deadline from that. The booking confirmation is kept separately from the completed check-in.

Specific next steps

1. Record the actual arrival and verify that the record has been successfully saved.
2. Compare check-ins with the arrival plan when multiple guests are checking in on the same day.
3. In the event of a technical problem, record the circumstances and immediately seek official guidance.

Limits of application

For accommodation providers and tourist registration in Croatia.
